WHY BIG LEAGUE CLEAN

Our goal is simple. You never have to think about cleaning again.

No hour-shaving, ever. Some companies bid low, then quietly cut their time on site. We don't. You get the full scope, every single visit.

A dedicated account manager. One person who knows your building, reachable by phone, text, or email. No call center, no runaround.

We show up in person. We're local, not a national chain routing you to a hotline. If something needs eyes on it, we are there.

Photo proof every visit. Our crew photographs the finished work the night of service, so you always know it got done.

Time-stamped visits and proactive flags. Every clean is logged with date and time. Low on supplies or something looks off? You hear it from us first.

Month to month, no lock-in. No annual term, no auto-renewal trap. Walk away with 30 days' notice, spelled out in Section 5 of the agreement at the back.

That is the difference between a cleaning vendor and a partner who has your back.

I truly appreciate you and your entire team and everything you do to help make all of this work. I know it's not an easy feat, but you all handle it with such grace. I'm also very thankful for Amanda and her responsiveness and attention to every matter we send her way. I've had several salon suites in different parts of the country, and this is hands down the best experience I've ever had with a cleaning partnership. You are truly appreciated.

Brian Mayfield | Facility Director | Little Kickers Swim School and Kicking It Kids Gym

Brian@littlekickersco.com | (816) 217-9030

Big League Clean has been FANTASTIC! We have gone through countless cleaning companies, and to finally find one that is able to not only do the job extremely well, they are reliable, responsive, and reasonably priced. I would HIGHLY recommend Big League Clean to anyone.

Maryann Lekas | Athletic Director | Boulder Country Club

mlekas@bouldercc.org | 858-752-0922

I am the Athletic Director at Boulder Country Club, and after many years of cycling through different cleaning companies, our Facilities Director discovered Big League Cleaners, and they have been outstanding from day one. Their communication is excellent, and they've consistently been willing to adapt to the unique needs of our facility.

Nathan Talley | Property Director | Boulder Country Club

ntalley@bouldercc.org | 858-752-0922

It is my job to ensure that our high end facilities meet our members' high expectations every day. During my time at the club, it has been difficult to find a janitorial company that is professional, easy to communicate with, and able to produce the results we need at an affordable rate. That is, until I came across Big League Clean. They have an established channel of communication that actually works. If you are a representative of a high end property, I would highly recommend working with Big League Clean.

Lauren Baker | Regional Manager | Klingbeil Capital Management

lbaker@kcm.com | (720) 878-0183

Big League has made a world of a difference with the appearance of our office. We get a lot of traffic throughout the week and it shows. The team makes our space look and smell like new every time. They are friendly and make scheduling a breeze!

Katie Mittan | Office Manager | H3X

katie@h3x.tech | (401) 787-4896

We have been using Big League for our cleaning needs, and they have done an excellent job. Their team is professional, thorough, and always punctual. Communication with their team is seamless, and they are always accommodating to our schedule and specific requests. Highly recommend Big League Clean!

VIDEO TESTIMONIAL

Don't take our word for it. Yael runs a children's swim facility and kids gym where clean is non-negotiable. We clean it every single night, seven nights a week.

Service completed last night, 4 photos uploaded to your portal. Have a great week!

A dedicated account manager who knows your building, with every conversation logged in one place.

YOU'LL ALWAYS KNOW IT GOT DONE

The real risk with a cleaning company isn't the price. It's paying for hours that never happened. Here is how we make sure that is never you.

Time-stamped visits. Every service is logged with the date and time, so there is a clear record of each clean.

Night-of photos. Our team documents the finished work the same night and sends it straight to your account manager.

Proactive flags. Out of paper towels, soap, or liners? A light out? You hear it from us first.

A real person who answers. Your account manager handles requests fast, however you want to reach us.

We work around your hours. After-hours, keyed access, on your schedule. Whatever keeps your building running.

Professional service means you don't have to manage us. That is the whole point.

YOU'RE NEVER LOCKED IN

Most janitorial companies want a 12 month contract with a 90 day exit window buried in the fine print. We do the opposite. Big League Clean is month to month from day one.

Month to month, always. No annual term. No auto renewal trap. The agreement simply renews one month at a time, for as long as you want us.

Walk away with 30 days' notice. One written notice, that's it. No penalties, no buyout, no exit fees. It is spelled out in plain English in Section 5 of the agreement at the back of this package.

Easy to fire, hard to replace. Lock in contracts exist to protect cleaning companies from their own service. We would rather earn your business every single month.

Zero risk to start. If the first month isn't what we promised in these pages, you are 30 days from done. That is the whole commitment.

You hold the leverage the entire time. That is on purpose.
