THE BIG LEAGUE CLEAN MISSION

Why do brands like Greystar, CVS, Penske, and Sola Salons choose Big League Clean?

Big League Clean was founded by Matt and Nash (Pictured above), former Enterprise account managers. After seeing the cleaning industry overrun with inefficient, inconsistent, and unprofessional companies, they decided to create Big League Clean, bringing their expertise in professional account management to the cleaning world.

Their experience shaped how BLC operates today, with a laser focus on providing professional cleaning services modeled around efficient communication and consistent results.

BLC has the local reliability and responsiveness of a neighborhood provider, backed by the systems, structure, and professionalism of a national firm.

Our mission is to elevate your cleaning vendor experience to the *Big Leagues* and stop you from having to go through the pain of cycling through average cleaners, taking the headache cleaning management off your plate.

REVIEWS AND REFERENCES

Maryann Lekas | Athletic Director | Boulder Country Club

mlekas@bouldercc.org | 858-752-0922

I am the Athletic Director at Boulder Country Club, and after many years of cycling through different cleaning companies, our Facilities Director discovered Big League Cleaners—and they have been outstanding from day one. Their communication is excellent, and they've consistently been willing to adapt to the unique needs of our facility. It's never easy to define what should be cleaned nightly versus weekly or monthly, but Big League has always been flexible and accommodating.

Nathan Talley | Property Director | Boulder Country Club

ntalley@bouldercc.org | 858-752-0922

I am the facilities director at the Boulder Country Club. It is my job to ensure that our high end facilities meet our members' high expectations every day. A big part of these expectations involve the aesthetics of our facilities (approximately 100K square feet). During my time at the club, it has been difficult to find a janitorial/cleaning company that is professional, easy to communicate with, and is able to produce the results we need at an affordable rate. That is, until I came across Big League Clean. Matt and Nash, the owners of the company, are easy to communicate with and professional. They have an established channel of communication that actually works and makes two way communication between me and the crew flow seamlessly. When issues do arise, as they inevitably do when doing business, they along with their staff, have made the adjustments needed in an extremely timely manner.

If you are a representative of a high end property, I would highly recommend working with Big League Clean! Feel free to reach out if you need a reference.

Big League Clean has been FANTASTIC! We have gone through countless cleaning companies, and to finally find one that is able to not only do the job extremely well, they are reliable, responsive, and reasonably priced. I would HIGHLY recommend Big League Clean to anyone.

Big League has made a world of a difference with the appearance of our office. We get a lot of traffic throughout the week and it shows with dust, mud, marks, etc. The team makes our space look and smell like new every time. They are friendly and make scheduling a breeze!

Great company with very clear and concise communication! Our company has been working with Nash and Amanda for a few years now and they do a great job. Amanda makes sure all of our needs are met, and you don't have to wait more than an hour to get a response from her. Cleaning crew is always on time and follows instructions closely. Thanks Big League!"

Amber Self | Regional Manager | Sola Salons (19 locations currently serviced)

amber.self@solasalonstudios.com | (720) 318-0443

I truly appreciate you and your entire team and everything you do to help make all of this work. I know it's not an easy feat, but you all handle it with such grace. I'm also very thankful for Amanda and her responsiveness and attention to every matter we send her way.

I've run several salon suites in different parts of the country, and this is hands down the best experience I've ever had with a cleaning partnership. I actually sent your information to the owner of the last Salon Studio company I used to work for- Danny is great if you hear from him!

You are truly appreciated.

WHY BIG LEAGUE CLEAN

Our goal is simple. You never have to think about cleaning again.

No hour-shaving, ever. Some companies bid low, then quietly cut their time on site. We don't. You get the full scope, every single visit.

A dedicated account manager. One person who knows your building, reachable by phone, text, or email. No call center, no runaround.

We show up in person. We're local, not a national chain routing you to a hotline. If something needs eyes on it, we are there.

Proof, not promises. Our crew photographs the finished work the night of service, so you always know it got done.

Eyes and ears on your building. Low on supplies or something looks off? We flag it before it becomes your problem.

That is the difference between a cleaning vendor and a partner who has your back.

The real risk with a cleaning company isn't the price. It's paying for hours that never happened. Here is how we make sure that is never you.

Time-stamped visits. Every service is logged with the date and time, so there is a clear record of each clean.

Night-of photos. Our team documents the finished work the same night and sends it straight to your account manager.

Proactive flags. Out of paper towels, soap, or liners? A light out? You hear it from us first.

A real person who answers. Your account manager handles requests fast, however you want to reach us.

We work around your hours. After-hours, keyed access, on your schedule. Whatever keeps your building running.

Professional service means you don't have to manage us. That is the whole point.
